**Santa Barbara
Nursery Co.**

*Nursery located at Goleta, seven miles west of
Santa Barbara, on Hollister Avenue*

To Correspondents

In presenting this list to you, we wish to say that our stock of **TREES, SHRUBS and PLANTS** is in the best possible condition, grown either in open ground or clay pots. No tin cans used. Stock is bright and thrifty and sure to give satisfaction.

Five at ten rate, fifty at one hundred rate.

In ordering be sure to state how stock is to be shipped, either by freight or express. If not stated, we will use our own best judgment in forwarding.

Should errors occur, kindly notify us at once.

Packing will be charged at cost. No charges for cartage to freight or express offices.

We warrant our stock true to label and in healthy growing condition, but will not hold ourselves responsible for safe arrival of shipment or growth of stock after planting, and should stock prove untrue to kind, we will replace free of cost or refund money for same, but in no case will we be liable for any sum greater than the original price paid.

Remittance may be made by draft on Santa Barbara, Well-Fargo, or Post Office Money Orders payable at Goleta.

PALMS

We have an immense stock both in open field and under lath having twenty acres of leading varieties of Palms, we are in position to quote very close prices and execute an order for any quantity. Stock is grown without irrigation enabling us to furnish hardy, thrifty and easily transplanted stock.
